Subject(s)**JJM 300, Offense Class I-V, Sex Offender Registrations & DNA Profile Codes.**

This policy item is renamed JJM 300, Offense Class I-V & Sex Offender Registration Codes. Deoxyribonucleic acid (DNA) Profile Codes have been removed due to duplication of information which is found in [JJM 265, DNA Profiling](#).

The following offenses have been added to the *Sex Offender Tier* section:

- MCL 750.449a(2), Engaging the services of a person under 18 years of age for prostitution (misdemeanor or felony dependent on facts).
- MCL 750.46e(a), Recruit, entice, harbor, transport, provide, or obtain by any means a minor for commercial sexual activity.
- MCL 520b,(CSC I), MCL 750.520d, (CSC III), and MCL 750.520(g)(assault with intent to commit penetration).

Certain class offense codes have been updated/removed to reflect repeals or citation amendments.

Reason: CSA Program Office recommendation and alignment with Michigan Penal Code statutes.
